

9-Step Process to Redesign Your Kitchen or Bath

At Renovisions we follow a specifically designed step-by-step process for your remodel. This professional procedure helps the client understand the phases of the process and defines a schedule that Renovisions follows for each kitchen or bath remodel project.

1. **Schedule your initial appointment with Cathy and Ed.**
2. **Prepare for the initial Zoom or Showroom Meeting:**
 - We will need basic room dimensions and photos of the current space.
 - We recommend our website, Houzz.com and/or Pinterest, to gather design ideas.
 - We will discuss completed kitchen or bath planning guide.
 - We will discuss project budgets and review options with good, better & best pricing.
 - We will discuss retainer & consultative agreement.
3. **Designer Jobsite Visit**
 - Collect retainer agreement.
 - Measure existing space.
 - Review existing mechanicals for proposed design – Electric, Plumbing, HVAC.
 - Discuss ideas developed for room.
4. **1st Showroom Appointment with Renovisions**
 - Review customized budget analysis.
 - Review proposed design.
5. **Renovisions Design Team Creates Final Plan**
 - Finalize all dimensions, floor plans, & mechanical specifications.
 - Final quote prepared & Final plans approved.
 - Material selections confirmed.
 - Deposit made and contract signed.
6. **Renovisions Design Team Organizes your Project**
 - Materials are ordered, schedules are created and subcontractors are scheduled.

7. Pre-Construction Communication

- One to two weeks prior to the start of the project you will receive a call or an email from Renovisions confirming start date and dumpster delivery date (if needed).

8. Construction Start Day

- Cabinets & materials are delivered to jobsite.
- Designs & floor plans are reviewed by installation team.
- Renovisions Project Manager, Ed, will be on site should questions arise.

9. Punch List and Final Completion Statement Sent

- A punch list will be generated for job completion and is reviewed by you to ensure complete satisfaction.

- ☒ We provide product options right from our showroom.
- ☒ We inspect cabinets, fixtures & all products when we receive them.
- ☒ We remodel right the first time & we handle all of the construction 'in house'.
- ☒ Warranties are provided.
- ☒ We offer an enthusiastic approach "We love what we do & it shows in our work".
- ☒ You will have a professional experience.

The Renovisions team will follow this process to complete your project in a timely manner. We understand there may be changes/alternate options that may occur during any part of this construction process. We are confident any changes will be made with expertise and as swiftly as possible to stay as close as possible to the target completion date.

Thank you for Your Business!
